

### **Niville Anozia - Parent Governor**

**How long have you been on the governing Body and what is your role?**

I've been a governor at Fairchildes for 4 years. I am a parent governor.

**Why did you become a Governor at Fairchildes?**

Firstly, I wanted to get more insight about Fairchildes, having just put my kids into the school. Secondly, my intention is to use my experience, skills and knowledge in making a positive impact in the school.

**Did you go to Fairchildes Primary yourself when you were a child?**

No I didn't.

**What is your favourite thing about Fairchildes?**

My favourite thing about Fairchildes is the "Breakfast club" for the following reasons:

1. It has helped me as a working parent in dropping off my children early and heading straight to work.
2. It is cost effective.
3. It provides a variety of healthy breakfast and a range of other activities.

**Is there anything you would change about the school?**

It would be great for all pupils to be given more homework on a regular basis.

**What do you do when you're not helping our school as a Governor?**

I run my own business and this keeps me very busy. I spend a considerable amount of time with my children especially after picking them up from school every day, catching up with school work, cooking and spending quality time together. I also run a non-profitable service which aims at aiding better education for children. Finally, I spend any spare time I have left volunteering for "Inspiring the Future" and "Barclays Life Skills."
