

## EYFS Long Term Plan 2024-25

This plan outlines the learning intentions for this year, including key texts, festivals, and experiences planned to broaden the children's understanding and equip them with the skills needed to become confident, independent learners. Staff recognise the need for a play based approach to learning and respect the ideas and beliefs of the children in planning for rich learning opportunities. Staff will discuss ideas with and tune into children's individual needs and interests, to motivate, inspire and develop life- long learners. This may lead to developments and changes to this LTP. In addition to planning for key texts and following the children's interests, the EYFS team plan themes throughout the year to ensure that children build on existing and prior knowledge. Alongside these main themes, seasonal change and festivals and celebrations are also celebrated.

	Possible learning/ Themes/Interests/Lines of Enquiry...	Festivals & Celebrations –	Core Texts for topic /themes	<b>Favourite 5</b> -Traditional tale /Quality text Rhythm and rhyme/PSE/Diversity	Outdoors / Forest School	Cultural Capital experiences/ Parental engagement
