

Stuart Bailey – Chair of Governors

How long have you been on the governing Body and what is your role?

I started my time on the Governing Body as a Local Authority Governor over three years ago, but became Chair of Governors around 18 months ago.

Why did you become a Governor at Rowdown?

I believe that all children should be given the chance to succeed and wanted to use my experience in industry to support Rowdown to be a consistently great school.

Did you go to Rowdown Primary yourself when you were a child?

I went to Hamsey Green Primary School in Warlingham.

What is your favourite thing about Rowdown?

I appreciate its inclusivity so that every child has the opportunity to do well.

Is there anything you would change about the school?

I would like to further improve the physical environment for our children so they have world class facilities.

What do you do when you're not helping our school as a Governor?

I work for Marks and Spencer in its head office. I enjoy travelling the world when the opportunity arises.
