

Drop Everything And Read-ATHON

Sponsored Read

Take part in our first ever **sponsored reading** event where all you have to do is:
READ, READ AND READ!

At home: read as much as you can, anytime, anywhere. Keep a record of the amount of time you have read on your form

At school: D.E.A.R. (Drop Everything And Read) When your teacher gives you the agreed 'signal' you must D.E.A.R!

This can be anywhere: in class, in the hall, during PE...ANYWHERE!

All you have to do is fill in the sponsor form and send in the money you have raised by 22nd March 2019. There will be certificates for all and prizes for the children who have raised the most in each year.

The money raised will go towards buying sets of class books for each class to enjoy as well as buying more books for our school library.

*Thank you for your support and don't forget to **Drop Everything And Read** along with your child too!*
