TO ALL YEAR 5 PARENTS/CARERS

Dear Parents/Carers,

Science Week is fast approaching. The dates for British Science Week are 8 – 17 March 2019. This term, we have organised some fantastic science workshops for the Year 5 children. They will participate in Science Enrichment Activities at Orchard Park High.

The visit is aimed at inspiring the children to think about the different scientific journeys that happen every day and how they can discover and develop the understanding of science through their own lives and experiences.

The dates that are of interest for the workshop will take place on:

- **Wednesday 13th March 2019 – Warhol Class**
- **Wednesday 20th March 2019 – Hockney Class**
- **Wednesday 27th March 2019 – Riley Class**

This trip will be during the normal school hours and school uniform is expected to be worn on the day. Children will leave school at 2:00pm and return no later than 4:00pm as they will be walking.

Please complete the permission slip below and return it as soon as possible to your child's class teacher by Wednesday, 6 March 2019. If you are also happy for your child's photo to be taken, please tick the box below.

Yours sincerely,

Alicia Allen-Bernard
Science Subject Leader
Orchard Park Enrichment Workshop
