

## **Summer Term: Week 1**

### **Reception Suggestions**

Hope you are all keeping well and enjoying spending time with your families.

Our learning this half term is based on dinosaurs.

**Creative:** Draw, paint or build a dinosaur of your choice.

**Personal and Social:** Play a game with someone at home, remember to take turns.

**Communication and Language:** Listen to a story/stories that someone at home reads to you. Respond thinking about what might happen next and ask questions.

**Reading:** You can register for a free account at <https://www.oxfordowl.co.uk/for-home/>

For access to age appropriate books.

**Writing:** Think about how you hold your pencil and the size of the letters.

Write some sentences about your favourite dinosaur. Remember to start each sentence with a capital letter, leave finger spaces and add a full stop.

**Moving and Handling:** PE with Joe Wicks  
<https://www.youtube.com/thebodycoachtv>

**Understanding of the World:** If you can use a computer or I pad at home look at where dinosaurs lived. Think about how this is similar and different to where we live.

**Maths:** Practise counting in two's. Practise doubling single digit numbers.  
(2+2=4)

**Phonics:** Practise reading, writing and spelling each of these words: you, her, all, they, are, my and look.

There is a great Early Years website that gives daily activities that the children might enjoy. <http://www.eyfshome.com>

Please take good care and stay safe

Kind regards, Reception Team
