

# THE MYSTERIOUS HOSPITAL and something else...

The day had come...they had been warned and they had to RUN! But were. The lights were flickering and they didn't know what *to do!*

*They saw a light... And said "could that be an exit?" So they ran towards the light but it was just a window.*

*It was coming, they had to run! They went into a dark room but there was NO light...*

*But luckily they had a torch! They didn't know what it was but it was coming for them. They had no where to go so it might be the last of it but...*

*There was a secret door...QUICKLEY they ran through the tunnel... And saw an exit! There was a ladder so they climbed the ladder and they went to a whole new world. They herd the ugly beast and he was looking for us but he didn't now were we were so we were safe for now... The world was like fairy land there was NON EXZIGSTING things like fairies, wands and MAJIC it was amazing! They wanted to go look around more to see if there was something else. So they split up and searched to look for some cool things. One of them found a mysterious box so*

*he opened it and there was...lots of treasure, gold and silver. The other one found lots of emerald, rubies and diamonds. Suddenly they found another door...It was another exit to another world they said it might be are real world! So they went through the tunnel and it wasn't there real world but... It was a better world then the other with treasure and stuff. They looked around and there was candy EVERYWHERE like it was a dream come true they ate lots there was a little left. Surprisingly there was another door this will be the door to Australia (are Country.) So they RAN through the tunnel but it was a... a... I don't now, but it was weird. There was nothing suspicious but another door that looked weird so it probably was a drain to Australia! They got so excited and was jumping up and down! They ran as fast as they could and...IT WAS THEY WERE SUPER HAPPY BUT THEN... they herd the monster but it was 2 doors away so they shut the drain and ran to their house their parents were EXTRE happy and said TO NEVER LEAVE AGEAIN WITHOUT PREMISHIOUN AGAIN! And they got that for sure!*
