

## Crystals Adventure

One day a girl named Crystal gets picked to go to a Disney school.

Crystal was so excited her brain was about to BLOW! So when Crystal woke up the next day she started to get ready while her mum was making her lunch. When Crystal left her house there was a big, colourful bus with Disney characters on it!

Once Crystal arrived she also saw other excited kids to. She crept in and so many children were looking at the new kids! 'This is

beautiful!' Crystal screamed. Other kids liked it to! Then she got put into teams. Team Mickey Mouse, Team Minnie Mouse, Team Donald Duck and Team Goofy .She got put into Team Donald Duck. 'Wow'

Crystal shouted. They got put in their rooms so they could get

changed in their clean clothes. They had to have their dinner so they went to the dinner table. After dinner, Crystal went back to her dorm. 'Miss can I contact my mum?' asked Crystal. The teacher said yes. So Crystal called her mum. When she finished contacting her mum she heard a big BANG! 'OH NO!' she screamed. Crystal ran down the corridor but froze like ice. Suddenly, there in the corridor was a small passage. Crystal thought it was where the big bangs were coming from. She crept through the passage. It went on and on and on! Finally it stopped, she reached a magic door. She knocked quietly.... no one answered. Crystal slowly opened the door, she couldn't believe her eyes. Inside was... a magical kingdom with Disney characters on

it. 'This isn't secret it's beautiful!' Crystal said. Crystal explored the kingdom with excitement. As quick as a flash, the kingdom started to fall down. Crystal ran as quickly as she could so she can get out of the passage.

---

'Few' Crystal said heavily. 'That was scary' a girl helped her up. 'W...who are you?' Crystal asked. 'I'm Sunny B and you are.' 'I'm Crystal.' 'What team are you' Sunny asked. 'Donald Duck' Crystal told Sunny 'me too'. So they both went back to their dorms. The head teacher was in the corridors to see if any kids were awake. 'Where are you two going?' The head Teacher shouted in anger. 'B...back to your dorms' Sunny and Crystal. 'EXPELLED!' The head

teacher screamed. 'Pack you nasty children'. Sadly, Sunny and Crystal had to go home and say their goodbyes. When Crystal got home she was really sad because she thought her mum would be mad at her. Because Sunny didn't have any parents because they died in a big fire Crystal brought Sunny home. 'CRYSTAL I KNOW WHY YOU ARE BACK YOUNG LADY! AND WHO IS THIS GIRL! Crystals mum shouted. 'Mum this is my friend and how did you know I got expelled?' Asked Crystal 'WE WILL TALK LATER' Crystals mum screamed. Sunny and Crystal got grounded because of that but they done more fun stuff. The End.

Thank you for reading this.
