

Dear Donaldson Class,

My name is Miss Pulyk and I am so excited to be your teacher next year. As some of you may know, I am having a baby in July and I will hopefully be coming back to school at the end of the Autumn term. I can't wait to meet you all then and begin our learning journey together.

We will be called Murphy Class after the author Jill Murphy. She has written lots of lovely books, some of which we will read together next year. You may know some of them already and if you want to read a few over the summer holidays that would be great.

Our classroom will be in the Rainbow Building and we have a lovely view overlooking the field. Our chairs and carpets are a bright green colour which makes me think of nature and springtime.

I absolutely love reading and we will be reading a book together at the end of every day. I like to run through the parks to help me keep fit and healthy and I am a bit of a chatterbox so I love nattering to my friends and family whenever I can!

2 We have so much fun in Year 2. We learn about all sort of exciting topics including getting to know more about animals, plants, where we live and other countries. We also get to do lots of outdoor learning and love to investigate and experiment with new ideas. Maybe you could think about some of the things you would like to learn about next year and tell me all about them when I come into school?

The other class in Year 2 is called McKee class; their teacher is Miss James and we will have Mrs Bromley & Ms Breda working with all of us to help us learn and grow. We are a close team in Year 2 and you will see lots of all our lovely adults every day.

On the first week back, you will be reading some books by Jill Murphy and David McKee as well as drawing a fabulous self portrait using some new art skills you will learn. You will also be making things to decorate our classroom and finding out all about each other.

I can't wait to meet you soon and I am so excited that we get to learn together and have fun at school.

Take care and stay safe.

From Miss Pulyk
