

Dear Jeffers Class,

I hope you are all safe and well

My name is Miss James and I am so excited to be your teacher next year as I know most of you already. I bet that you've all grown and I can't wait to see you and your families again.

This will be my third year teaching at Monks Orchard. I love to read, dance, sing and take long walks to keep me fit and healthy. I love to laugh and chat with my friends and watch films, especially on Netflix. My favourite food is rice and chicken and I love bright colours as you will find out. Look out for my lovely bright eyeliners.

Our class will be called McKee Class after the famous author David McKee and it is next to Donaldson Class. In the first week back we will be finding out about David McKee. Do you know anything about him? Why don't you find out some facts about him ready to share in September? Try and read some of his books if you can and bring them in so we can share them together. I hope you like stories because I love to read a story at the end of each day.

Year 2 is a very exciting year as it is your last year in the infants. We have lots of fun and do lots of cool stuff like designing a bug hotel, making tree boggarts and lots of art.

We will be working closely with Murphy Class whose teacher is Miss Pulyk. We will also have Mrs Breda and Mrs Bromley working with us and helping us to learn.

On the first week back, we will be reading some books by David McKee and Jill Murphy as well as drawing a fabulous self-portrait using some new art skills you will learn. We will also be making things to decorate our classroom and finding out all about each other.

I can't wait to see all your smiling faces again, to work, learn and have fun together.

Take care and stay safe

from Miss James
