

Hello everyone!

I am so excited to be your teacher next year. It is a pity that I won't get to see you all before the summer holiday but I'm going to tell you a little bit about myself and what to expect when you return to school.

First of all, a little bit about me. Some of my favourite things to do include reading, visiting new places and spending as much time as possible with my family and friends. Even though some of these things have been difficult to do during lockdown, I have been so grateful that I can keep in contact with people virtually! I can speak Spanish and lived in Spain for a few years. I also enjoy going to see my favourite football team play whenever I can.

I love teaching Year 6; it is busy, but such a fun year. We will be called Raúf class, after Onjali Raúf the author of 'The Boy at the Back of the Class'. Our classroom will be right at the end of the corridor, where Walliams Class have been based during Year 5. Miss Green will be the other Year 6 teacher and our lovely Teaching Assistants will be Mrs Woodhouse and Mrs Latil. We have a lot of learning to cover in Year 6 and, as the top of the school, you will have new responsibilities and will be role models for younger children. In the first week back, we will spend time learning about our author and the inspiration behind her books. We will also take time to settle back into being in school as I am sure many of you will find it strange coming back after so many months. We will make sure to fit in some art, P.E. and time outdoors if the weather is nice!

I'm looking forward to seeing you all and introducing myself properly. In the meantime, keep up with your work on Google Classroom as it will really help to prepare you for Year 6 and make sure you are all taking care of yourselves and staying safe.

See you soon,

Miss Martin
