

Dear Walliams Class,

It was wonderful to hear that we were going to be a class together next year – I hope you felt the same! We will be known as Morpurgo Class and we will be in my current classroom.

About Me

I really enjoy reading and spend a huge amount of time curled up with a good book. I also enjoy good food and my internet browsing history is usually full of menus from restaurants! I have a niece who is also going into Year 6 in another school and I enjoy spending time with her in the garden playing football – my garden is beginning to look like a football training ground!

About Year 6

Year 6 is hard work and I will have very high expectations of you because I want you to achieve everything you ever want to. We will have a great year next year though! Lots of you know me already as I was next door to you last year. I have a motto that as long as you try your best and you try to be the best version of yourself, then every day will be a good day. I also have a rule that I like to laugh at least once every day!

Other Staff

Mrs Latil

Mrs Woodhouse

Miss Martin and I have been busy working on an exciting list of topics and books for you to enjoy so you have a lot to look forward to. We will explore the two Year 6 authors in our first week back and I am really looking forward to getting to know you as well through lots of games and fun activities. Hopefully all of the adults in the year group will join in the fun too. If it's nice and sunny, we can go outside for some games as well! We'll do some maths too (as it's me!) so get on Times Tables Rockstars and start practising!

I hope you have a lovely summer with your families. Really enjoy this time and use it to your advantage: learn to cook with the help of your family, research something you're really interested in, enjoy the local park and most important cherish your family!

Stay safe and I will see you soon! I can't wait!

Miss Green
