

Dear New Rosen Class,

My name is Miss Bennett and I am going to be your teacher from September. I have been a teacher for 15 years, 10 of which have been at Monks Orchard.

A little about me..... I have many interests, which I will share with you across the year. But, I love Harry Potter and Pandas. I enjoy reading fantasy books and painting. I hope you are all up to have a fun year as I like to laugh and sing. My daughter is 4 years old and called Millie. Being a mum is the best thing ever! I also have a French Bulldog called Porc.

In September, you will be moving to the main building (the one where the hall and computer room are). We will be in the classroom second from the end, opposite the adventure playground. On your first day back, come into the big playground and when the whistle blows line up by our door (there will be a sign on it saying Rosen Class). I will be there to greet you.

Across the year, we will cover many fun topics and have some exciting trips. If you are willing to focus and try your best, you will make good progress and have a fun year. I have high expectations of behaviour.

We will be working with 2 support staff next year. Mrs Bennett and Mrs Gallacher. They are both very experienced TAs and will be amazing when helping you. They both have children and are very caring.

During the first few weeks back, we will be looking in depth at our class author Michael Rosen. Here is his website in case you want to find out more about him during the holidays: <https://www.michaelrosen.co.uk/>. We will also be doing as much work outside as we can. Fingers crossed the weather is nice.

Our team...

Miss Bennett
(Teacher)

Mrs Bennett
(Teaching Assistant)

Mrs Gallacher
(Teaching Assistant)

We can't wait to meet you! See you in September,
from Miss Bennett
