

Hi Soon to be Year 2s,

I am so looking forward to meeting you all in September; I cannot wait to teach you in Year 2. My name is Mrs Campbell and some of you may recognise me, I was teaching in Year 3 in the Spring term so I would have passed some of you in the Rainbow Building. I have three children, two girls and a boy and they are aged 9, 7 and 5; so very similar ages to you which is nice, it means I am very good at dealing with any injuries and excellent at playing games that I think you will like. I also have two dogs AND two cats so a very full house, I love animals. When I meet you, you can tell me about your families and pets if you would like to.

Apart from spending time with my family and friends I also love reading, watching films, baking (this is something I hope we get to do at school together!!) walking and swimming. Whilst we have been in lockdown I have managed to do lots of baking with my children, we have made scones, marble cake (it was pink!), flapjacks, cookies and pizza.

I am really looking forward to learning with you, I hope when we start you can tell me some of your favourite things that you have done in school so far, which subjects are your favourite and which subjects you hope to improve on and practice? One of my favourite subjects is maths but I also REALLY love reading, science, history, geogr.....hang on, I will end up listing all of them, I enjoy school a lot! The subject I most want to improve is my art, I am very enthusiastic and put in a lot of effort, however the results are varied. Perhaps you can help me improve my art?

I am so pleased that our author is Jill Murphy, I love her books. My favourite ones are The Worst Witch books. I also like Julia Donaldson books, which books are your favourite? Have a think over the summer and let me know when we are back to school.

I can't wait to meet you all.

from, Mrs Campbell
