

Year 4

Newsletter

Year 4 have has a fantastic start to the year this year.

We will continue to focus on presentation and handwriting, as well as meeting the year 4 expectations for stamina and quantity.

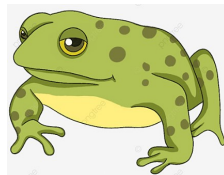

English

We have started reading Georges Marvelous Medicine by Roald Dahl. We are looking at description and will be writing other pieces based on the text.

Science

Our Science topic is living things and their habitats where we will be classifying different groups of animals by their characteristics and diets.

Maths

This term we are going to focus number and place value, and addition and subtraction using formal column methods.

Try to encourage your child to play TTR every day!
