Recommended Read of the Week

To his surprise, Harry Potter is told that he is a wizard by Rubeus Hagrid, a giant man from Hogwarts. He enrolls in Hogwarts, which is a wizarding school. He is already very famous in the wizarding world due to his lucky escape from Lord Voldemort, a dark wizard who tried to kill Harry when he was a year old.

Mr Wickenden recommends the first instalment of the Harry Potter series; **"The philosopher's Stone!"** Full of magic, good vs evil and even some romance!

Key Dates:

September

30th – TfL talk for year 6
9.30am – 10.30am

October

1st –Year 6 / Height and weight checks.

British Values Question

Why should everyone be treated fairly? What does this mean?

Individual Liberty
This is the belief that all people have the right to live and express themselves as they choose. It involves the human rights of all being respected and protected.

E-Safety Tip

Use Parental Controls
Make the most of built-in parental controls on devices and apps. These can help filter inappropriate content and limit screen time.

Maths Problem of the Week

A toy train costs three times as much as a rocket.

The total cost of the train and rocket is £52

How much does the train cost?

KS2
